

LIGHT
CHALLENGE

Masterclass presenter

Chiara Carucci | Noctua

Name:

Chiara Carucci

Occupation:

Chiara is the founder and principal of [Noctua](#) | Cultural & Natural Heritage. She's a lighting designer focusing on ecologically aware design for heritage and public spaces.

Her Masterclass:

Light & Darkness for Coexistence

What drives her:

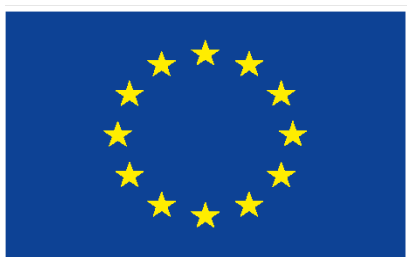

Curiosity: the desire to learn from people, from every project, and from nature itself.

What aspect of this LC project energizes you the most? What are you looking forward to?

I'm especially looking forward to exchanging ideas with students and exploring how we design with greater awareness and responsibility, especially after dark.

Advice for Light Challenge Participants:

Stay curious, question conventions, and remember that designing shadows is just as important as designing light for quality shared spaces.
